1. Introduction

- 1.1 The Audit and Risk Committee (**Committee**) is a committee of the board of directors (**Board**) of Sea Forest Pty Ltd (**Company**). The Company and its subsidiaries are collectively referred to as the **Group**.
- 1.2 This Charter sets out the role, authority, responsibilities, composition and procedural requirements of the Committee.

2. Role and objectives

- 2.1 The role of the Committee is to assist the Board in fulfilling its responsibility for ensuring the integrity of the Company's financial reporting and the implementation of a sound system of risk management and internal control by monitoring, reviewing and advising or reporting to the Board on:
- (a) the reliability and integrity of the Company's financial management, application of accounting policies, financial reporting systems and processes;
 - (b) the appropriateness of the accounting judgements or choices exercised by management in preparing the Company's financial statements;
 - (c) the implementation and effectiveness of the Company's risk management and internal control policies and practices;
 - (d) management's performance against the Company's risk management framework, including whether it is operating within the risk appetite set by the Board;
 - (e) the implementation and effectiveness of the Company's internal audit systems and processes;
 - (f) the appointment and, if necessary, removal of the Company's external auditors and the work of, and relationship with, the external auditors;
 - (g) the implementation and effectiveness of the Company's systems and processes for ensuring compliance with all applicable laws, regulations and Company policies; and
 - (h) the Company's taxation risk management, financial risk management and business policies and practices, and risks associated with transactions of a strategic or routine nature.

3. Responsibilities

- 3.1 In order to fulfil its responsibilities to the Board, the Committee will:

Financial reports

- (a) review the appropriateness and integrity of the accounting policies and principles adopted by management in the preparation and presentation of the financial reports and whether the financial disclosures in the notes to the financial reports made by management accurately portray the Company's financial condition, plans and long-term commitments;

- (b) if and when required by the Corporations Act, review the financial reports full financial year, and if applicable the half year and related regulatory filings, and consider whether they are accurate, complete and consistent with information known to Committee members, and reflect the Company's accounting policies and principles;
- (c) if and when required by the Corporations Act ,receive and consider in connection with the financial reports for the full financial year, and if applicable the half year , a declaration from the Chief Executive Officer (CEO) and Chief Financial Officer (CFO) to the Board that, in their opinion, the financial records of the Company have been properly maintained and that the financial statements comply with appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively;
- (d) review with management and the external auditors the results of any required audit;

Internal control and risk management

in consultation with management:

- (e) prepare a risk profile which describes the material business risks facing the Group, including financial and non-financial matters and any material exposure to environmental or social risks. The risk profile should take into account both the Group's legal obligations and the reasonable expectations of the Group's stakeholders (such as shareholders, employees, customers, suppliers, creditors, consumers and the broader community in which the Group operates) and should include recommendations on how the Group may manage those material risks;
- (f) regularly review and update the risk profile and provide copies to the Board;
- (g) review and report to the Board (at least annually) on the effectiveness of the Company's internal controls regarding:
 - (i) the Company's financial reporting systems and processes;
 - (ii) due diligence for acquisitions and other new projects;
 - (iii) compliance with confidentiality obligations; and
 - (iv) information technology security;
- (h) review and report to the Board (at least annually) on the effectiveness of internal systems and processes for identifying, managing and monitoring material business risks, including:
 - (i) breaches of contract or internal controls;
 - (ii) litigation and claims; and
 - (iii) fraud and theft;
- (i) obtain regular reports from management on the occurrence and status of any material breaches of internal controls, fraud or other material risk exposures or incidents and report to the Board (at each Board meeting or earlier, if appropriate) on such breaches, exposures and incidents and generally whether material business risks are being managed effectively;

- (j) receive reports from management on new and emerging sources of risk and the risk controls and mitigation measures that management has put in place to deal with those risks;
- (k) review the scope of the internal and external auditors' review of internal controls and risk management, and review reports on significant findings and recommendations, together with management's responses;
- (l) review the Company's risk management framework at least annually to satisfy itself that it continues to be sound and that the Group is operating with due regard to the risk appetite set by the Board. The Committee should satisfy itself that the risk management framework deals adequately with contemporary and emerging risks including:
 - (i) the risk of inappropriate, unethical or unlawful behaviour on the part of the Group's management or employees;
 - (ii) digital disruption, cyber security, and privacy and data breaches; and
 - (iii) sustainability and climate change (including the policy, legal, technology, market, reputational, physical, operational, supply chain, transport and employee safety risks associated with climate change);
- (m) recommend to the Board any changes to the Company's internal controls, risk management framework and risk appetite from time to time as appropriate;

Internal audit

- (n) if an internal auditor is required and appointed:
 - i. review with management and the internal auditor, the scope and adequacy of the internal audit function;
 - ii. meet with the internal auditor and management to review internal audit reports and monitor management responses;
 - iii. meet separately with the internal auditor, at least once a year, to discuss any matters that the Committee or internal auditor believes should be discussed privately;
 - iv. review the independence, objectivity and performance of the internal audit function;

External audit

- (o) if an external auditor is required and appointed:
 - i. review the external auditors' proposed audit scope and approach;
 - ii. meet with the external auditors to review reports, and meet separately, at least once a year, to discuss any matters that the Committee or auditors believe should be discussed privately;
 - iii. establish policies as appropriate regarding the independence of the external auditors;
 - iv. review the rotation of the audit engagement partner;

- v. review and confirm the independence of the external auditors by obtaining statements from the auditors on relationships between the auditors and the Company, including non-audit services, and discussing the relationships with the auditors;
- vi. review the performance of the external auditors and consider the re-appointment and proposed fees of the external auditors for audit and non-audit work and, if appropriate, conduct a tender of the audit. Any subsequent recommendation following the tender for the appointment of an external auditor will be put to the Board and then if a change is approved it will be put forward to shareholders for their approval;

Compliance

- (p) consider the plans and processes for the Company's compliance activities;
- (q) obtain regular updates from management and the Company's lawyers regarding compliance matters;
- (r) review the effectiveness of the system for monitoring compliance with laws and regulations and the results of management's investigation and follow-up (including disciplinary action) of any instances of non-compliance;
- (s) review the findings of any examinations by regulatory agencies;

Reporting responsibilities

- (t) regularly report to the Board about Committee activities, issues and related recommendations;
- (u) provide an open avenue of communication between internal audit, the external auditors, and the Board. For the purpose of supporting the independence of their function, the external auditors and the internal auditor have a direct line of reporting access to the Committee;
- (v) report to the Board on any material exposure to environmental and social risks and, if the Group is exposed to such risks, recommend how the Group should manage those risks;
- (w) report annually to the Board regarding information to be provided in the Annual Report to shareholders, describing the Committee's composition, responsibilities and how they were discharged, and any other information required by law or the ASX Listing Rules;
- (x) review any other reports the Company issues that relate to the Committee's responsibilities;
- (y) report to the Board on the Company's process to verify the integrity of any periodic corporate report the Company releases to the market that is not audited or reviewed by an external auditor;
